FOR IMMEDIATE RELEASE

CENEX PUMP 24 LAUNCHES “PUMP WITH PRIDE” TO SUPPORT A-F SCHOOLS

(November 9, 2017) Cenex Pump 24 of Adams is pleased to introduce “A-F Pump with Pride”. When customers fill their tanks at the special A-F Schools logoed pump, two cents from each gallon sold will be donated to A-F Schools to support student activities and programs.

“Our team members are part of the local community. Their children attend our local schools. These schools provide so many excellent programs for our youth. This is just one way that we are helping to support these efforts.” said Jamie Brenning, store manager.

Customers will find the “Pump with Pride” pump on the south fueling island near the diesel pumps. “We encourage customers to take advantage of this program,” added Brenning. “You’re going to fill your tank anyways, why not let a portion of your purchase be used to fuel your school at the same time!”

Cenex Pump 24 is located at 451 South Main Street in Adams. Cenex Pump 24 is a division of Allied Cooperative. Allied Cooperative is a \$200 million cooperative with services ranging from agronomy, feed and grain to LP and refined fuels to auto parts, hardware, tires and convenience stores. Allied Cooperative has locations in Adams, Arcadia, Blair, Galesville, Mauston, Mindoro, Plainfield, Plover, Tomah, West Salem, Wisconsin Dells and Wisconsin Rapids.
